

# DRIFFIELD & EAST YORKSHIRE RAILWAY SOCIETY

## SEPTEMBER MEETING

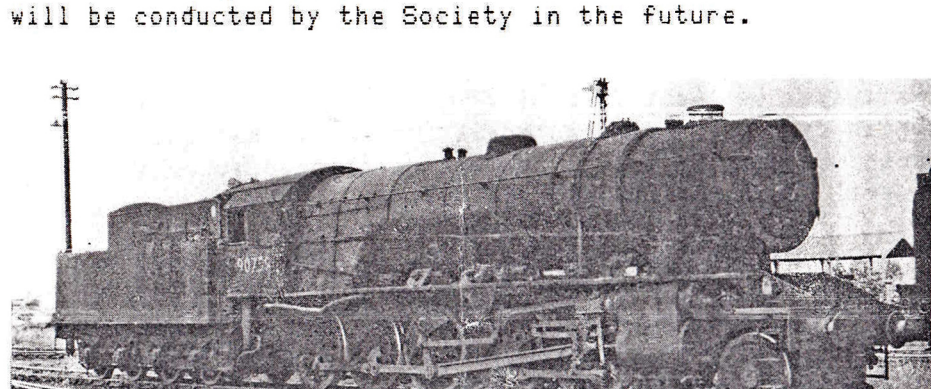

Due to circumstances beyond the committee's control, the September meeting will now take place on Monday 7th September, and not on the 14th as originally intended. More details on the back page.

## TRIP TO THE EAST LANCS RAILWAY

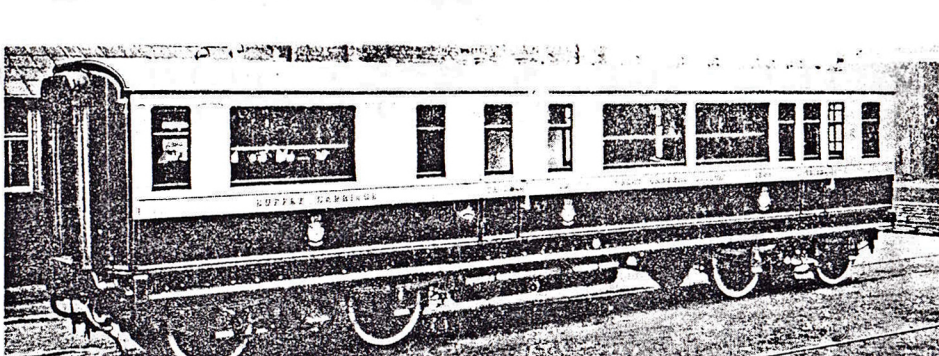

The Society's recent outing to the East Lancs Railway was a great success, blessed by kind weather. The Railway had two locomotives in steam, an LMS 4F 0-6-0, and a SR 'Battle of Britain' 4-6-2 - No 247 Squadron.

The whole outing, like the Railway, was conducted in a relaxed & friendly manner, and a really good time was had by all those who attended. Away from the Railway, members enjoyed other local attractions including rambling, and even dry slope skiing!

It is hoped that a further visit to this fine railway will be conducted by the Society in the future.

## NEWSLETTER No. 9 AUGUST 1992

## FUTURE VISITS

The Committee is investigating the possibility of running a coach trip to the Manchester Model Railway Exhibition in November. The exhibition is held near to Victoria Station, and is within easy reach of the city centre for those who prefer shopping to model railways.

This is a big exhibition, supported by many trade stalls, and could prove useful for those seeking specific kits &/or components.

An announcement will be made at the September meeting in respect of this outing.

## COMING SOON

The October meeting will feature a talk entitled "Railways of East Yorkshire" given by John Morfin. Mr. Morfin is a well known authority on the architecture of the North Eastern Railway, and has campaigned successfully for several local buildings to be 'listed'.

Our December meeting is to be set aside as a 'Request' meeting. Enclosed with this newsletter is a request slip which you are asked to use, to nominate the item(s) from previous meetings which you would most like to see repeated. The slips will be collected at the September meeting.

## A NOTE FROM OUR CHAIRMAN

AS THE SUMMER DRAWS TO A CLOSE, I HOPE THAT ALL MEMBERS HAVE MADE THE BEST OF THE FINE WEATHER FOR PHOTOGRAPHY!

The Photography competition will now take place at the December meeting, so there is plenty of time to capture your favourite railway scenes on film.

Please use the enclosed slip to choose your favourite items of the last year, as the committee hopes that the December meeting will give you all a chance to see again the most popular items of the year.

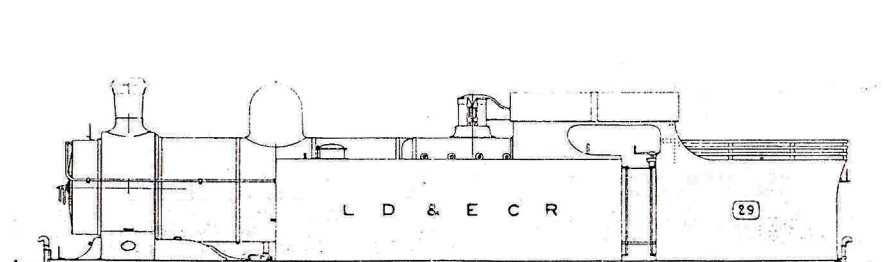

Looking forward to seeing you all on September 7th.

Angus Scott.

## PHOTOGRAPHY COMPETITION

This will now be included in the December meeting. We remind members that all entries must have been taken during 1992.

For further details please see either Steven Owbridge or Jonathan Longbottom at the September meeting.
